

2022 St'át'imc Community Engagement Survey

We want your insight and opinion on your communities health and wellness needs!

K'alhwá7al'ap! St'át'imc Outreach Health Services (SOHS) is looking to gain feedback from the communities on what their needs and struggles are and how SOHS can provide assistance.

We ensure that this survey is confidential and individual responses will not be shared. The survey's statistics, and analytics will be the only part of the survey that may be shared to show communities the results we have received, but your own individual responses will not be shown!

1. OPTIONAL! - Contact Information - Fill out if you want to be entered in for a door prize (survey deadline is June 10th, and the door prize will be drawn afterwards)

2022 St'át'imc Community Engagement Survey Medicine Wheel Assessment

St'át'imc Outreach Health Services (SOHS) is adding a medicine wheel assessment to this survey to see if this helps improve and increase our understanding on what the needs of our communities are in each sector of the medicine wheel.

Keep in mind that these activities/programs can be for anytime in the seasons. We want to ensure we are providing the utmost support and services all year round.

* 9. SPIRITUAL - What kind of programs/activities could improve and/or increase your Spiritual Wellbeing?

* 10. MENTAL - What kind of programs/activities could improve and/or increase your Mental Wellbeing?

* 11. EMOTIONAL - What kind of programs/activities could improve and/or increase your Emotional Wellbeing?

* 12. PHYSICAL - What kind of programs/activities could improve and/or increase your Physical Wellbeing?
