## Notification Message – LTC Natural Resources Office Closure

Effective April 10, 2026

**Subject:** Notice of Closure Lillooet Tribal Council Natural Resources Office

Dear Recipient / Organization,

On behalf of the Lillooet Tribal Council (LTC) Chiefs, Council, and Administration, we are writing to inform you that, effective April 10, 2026, the LTC Natural Resources Office has formally closed after 35 years of service to the northern St'át'imc communities.

This transition reflects the significant growth in capacity within our member communities and their increasing desire to manage their own relationships with the Province, industry, and other governments operating within their Areas of Interest and Areas of Responsibility.

As part of this organizational change, the LTC Chiefs and Council respectfully request that all future correspondence, consultation requests, project communications, and engagement related to natural resource matters be directed to the individual St'át'imc communities.

This applies to:

- Provincial Ministries and Operational Staff
- Tenure Applicants and Industry Representatives
- Municipal and Regional Governments
- Partner Organizations and Stewardship Groups
- Federal Departments Where Applicable

We ask that your organization update its contact lists and communication protocols accordingly.

The LTC Chiefs Council extend their appreciation for the long-standing working relationships developed through the Natural Resources Office and look forward to seeing these relationships continue directly with the communities.

If clarification is needed during this transition period, please contact the LTC Administration Office at (250) 256-7523 who can assist in directing inquiries to the appropriate community.

Thank you for your cooperation and understanding during this transition.

Sincerely,

Chief Justin Kane,  
Lillooet Tribal Council Chairperson
